

Sports Premium Report 16-17

This year we have continued to develop sustainable P.E. at Star Academy. After an audit of the equipment and the staff's needs, we have continued to develop the resources available to all. We have ensured that pupils have access to a range of equipment and those staff who felt less confident in teaching P.E. have had access to training. Extra-Curricular activities have also continued.

Evaluation of impact

Spend 2016-2017			
Grant received -			
Total number of pupils on roll		157 Y1-6
