Dear Parents,

Joining Class DOjo

As you are aware, we have introduced our new behaviour system Class Dojo. I'm sure that the children have been telling you all about it. Attached to this letter will be a Class dojo invitation which will allow you to connect to your child's classroom and see their dojos as they are put on by the class teacher.

We would like all parents to have joined our community on Class Dojo by Friday 8th March.

Photograph and video consent

Class dojo also allows us to share news, photographs and information with you through a whole-school story, a class story and a private message system which can be accessed by all staff connected to that class.

In order for us to share photographs and videos, we need your permission.

Photographs and videos will only show positive images of the children's learning and achievements.

Photographs and videos on class story can be seen by the parents and children and staff in that class and might be used to share photographs of work or learning activities that are taking place.

Photographs and videos shared on the school story can be seen by all parents, children and staff in school and might be used to share the children who have won awards or for exceptional work. Newsletters, which may contain names of children, will also be shared on school story to help you to keep up to date.

Please fill in the form below by ticking a box for each permission, deciding on whether you do or do not give permission.

Once granted, the permission will remain in place throughout the school. You can, at any time, withdraw permission for photographs and videos on Class Dojo by letting the school know in writing.

We need you to complete and return the form whether you give permission or not.
We will not start using photographs and videos until all permission slips have been collected in.

We would like all permission slips in by Friday 8th March 2019.

Thank you for your support and co-operation with this.

Kind regards,

Mrs Wildman
