

Monday 18th March 2019

Dear parents,

Re: Change of morning routines

As of Monday 25th March, there will be some changes to the start of our day. These changes are being put into place for several reasons:

- To ensure that we are safeguarding children as soon as they come on to site and are in our care;
- to ensure that learning begins as soon as children enter their classrooms
- to ensure that we are in - line with health and safety regulations.

Breakfast Club

All children will need to be passed over to a member of staff and signed into Breakfast club. Year 5 and 6 children can sign themselves in if they walk to school independently.

Start of Day

Most teachers will now begin their day in the classroom making sure that children are welcomed and settle quickly to their learning.

There will always be a member of the Senior Leadership Team available on the yard for you to share concerns with. We will take messages and pass them to the appropriate person.

Please note that times and entrances will remain the same.

Thank you for your continued support,

Mrs K Wildman
Head of Academy
