

19th June 2019

Dear Year 6 parents,

As a reward for the children's hard work this year, the Year 6 pupils will be organising their own treat day on Tuesday 16th July.

After much deliberation, they have decided to watch a film at the Odeon cinema in Hanley and then have lunch at TGI Fridays, all during school time.

To fund the treat, the children will be organising lots of fundraising activities such as the summer disco, a bake sale and refreshments during sports day. Hopefully, this will mean that we do not need to ask for additional funding from parents.

Contributions to these events are greatly appreciated; I just ask that any suggestions that you may have are made through me first so we can keep a track on publicising the events.

As a reminder, the dates for the events are as follows:

Bake Sale – Monday 1st July

Summer Disco – Thursday 4th July

Sports Day – Friday 12th July

Obviously, participation in any of these events is dependent upon behaviour. If any of the children are disruptive over the next few weeks, their entitlement to participate will be removed.

Thanks in advance for your support.

Yours sincerely,

Mr C Battrick
Year 6 Teacher
