

Use of electronic devices and use of the internet greatly enhance pupils learning and enjoyment of education. The academy actively encourages the use of modern technology but within a safe and controlled environment.

We also want to celebrate and promote all the positives and successes our pupils achieve whilst with us. This may mean on occasions we will use images of your child (photos and videos) in the classroom, on the website, on Class Dojo and through the media ie twitter, facebook, local press.

Please read the statements below and clearly state your permission for us to undertake these actions for your child. These permissions will apply while your child attends Star Academy, Sandyford. If you have any queries or wish to change your permissions, please do not hesitate to contact us.

Permission Details	Tick (✓)
I give permission for my child to use all electronic devices in school and to access the internet. I understand that the school will take reasonable precautions (adult supervision, filtering systems and forensic software) to ensure pupils remain safe whilst accessing the internet. I understand that a further e-safety acceptable use policy will be signed.	
I give permission for my child to have their images taken and used by Star Academy, Sandyford for educational use. These images may be used in the child's book, on Class Dojo, the school website, twitter and face book.	
I give permission for my child to have their images taken and used by Academy Transformation Trust. These images may be used in internal newsletters but also in the wider press.	
I give permission for my child to have their images taken and used for promotion and publicity relating to the school by local companies and the press e.g. a newspaper article on local planting.
