

STAR ACADEMY SANDYFORD Newsletter

Issue 6 | June 2020 | www.staracademy.atrust.org.uk | Tel: 01782 235055

Dear Parents and Friends of Star Academy,

These have been the most extraordinary 3 months and I am sure that at some point we will look back and know that we lived through a major historical event. Until then, we are all doing the very best we can to ensure that our children are happy, healthy and where we can, learning.

We really do appreciate everything that you have done to support your child's education whilst we have been unable to have everyone in the academy.

I am very proud to say that we have remained open and the staff here at Star Academy have continued to work their hardest to support the community as best we can.

Please do remember that the academy is open and you can contact us for any reason on 01782 235055.

We are delighted to see so many children back from Nursery, Reception, Year 1 and Year 6 back into the Academy but we sincerely understand why others have not returned.

It is vitally important that if you change your mind and would like your child to attend that you call the office to see whether we have a place in school. We are using all our possible space to ensure social distancing is maintained and therefore we may be unable to offer further places in the Academy. **We are asked to make key worker children a priority. If these numbers continue to grow, we may have to retract offers for year groups.**

We are very lucky that, as far as we are aware, no members of our community have lost loved ones to Covid 19 and we pray that it remains that way. If you have been affected by Covid 19, please do let us know as we would like to offer our support.

We cannot wait to get the Academy running at full capacity again but we do not know when that will be. As soon as we know, we will communicate that with you.

Until then, stay safe.

You know where we are if you need us.

Mrs K Wildman

Principal
