

Friday 23rd October 2020

Dear parents,

Due to the ongoing pandemic, we are unable to hold our parents' evenings as we usually would. To make sure that you are up to date with your child's academic achievement and behaviour for learning, we have instead written interim reports.

The reports are colour coded to allow you to see easily whether your child is working at age expectations. You may be concerned to find that your child is not working at age expectations. Please keep in mind that the children have had a considerable amount of time out of the academy this year and may not have accessed the learning provided as easily as others. We can assure you that we are providing a quality education for all children to support their catch up.

You may be happy with the information on the interim report, or you may want to speak to the class teacher. Each teacher will have a day when they can make phone calls home to parents who request a call. Appointments to receive a call will be sent out via the teacher to parent app (as they usually would for a parents' evening), you can then choose a time slot that works for you. The calls will be for a maximum of ten minutes. These appointments will be sent out on Tuesday 2nd November.

These are the days that each teacher has set aside to make calls. The calls will be between 9:30am and 5:15pm:

Mr. Battrick	Monday 9 th November
Mrs. Eptlett	Thursday 12 th November
Mr. Nicholls	Friday 13 th November
Mr. Stronge	Tuesday 10 th November
Mrs. Taylor	Tuesday 10 th November
Mrs. Knowles	Wednesday 11 th November
Mrs. Billingham	Monday 9 th November
Mrs. Turner – am / Mrs Hobbs - pm	Wednesday 11 th November

You do not need to do anything else until the appointments are sent out to you.

Kind regards,

Mrs. K. Wildman
Principal
