

4th January 2022

Year 5 visit to the National Space Centre

Dear Parents,

This term, the Year 5 pupils will be studying the theme of 'Stargazers' in science. As part of their studies, we are planning to visit the National Space Centre in Leicestershire on Friday 28th January 2022. This will be a fantastic opportunity for the children to visit a planetarium and learn more about stars and space in engaging and interactive surroundings.

Children will need to arrive at the academy at 7:45am to be ready to leave at 8:00am and are required to wear full school uniform. The coach will return to school at approximately 6:00pm.

We request that you supply your child with a packed lunch from home, unless they are in receipt of Free School Meals.

The cost of this trip has been heavily subsidised by the school, which means that the cost per child is £10.00 to cover the cost of entry and transportation. Payment for the visit needs to be made online via School Money or by barcode NO LATER THAN 21st January 2022.

I know that many of the pupils are excited about studying this topic and are looking forward to the visit itself. If you have any other questions, please do not hesitate to contact me.

Many thanks,

Mr R Nicholls
Year 5 Teacher
