EMPLOYER RECOGNITION SCHEME

SILVER AWARD

Proudly supporting those who serve.

The role of a governor is largely a thinking and questioning role, not a doing role.

In order to perform this role well, a governor is expected to

- get to know the school, including visiting the school occasionally during school hours and in agreement with the principal, and gaining a good understanding of the school's strengths and weaknesses
- attend induction training and regular relevant training and development events
- attend meetings (full governing board meetings and committee meetings) and read all the papers before the meeting (The Local Governing Board currently meets once every half term and meetings last for approximately two hours)
- act in the best interests of all the pupils of the school
- behave in a professional manner, as set down in the governing board's code of conduct, including acting in strict confidence.

Being a governor can be very rewarding and will provide you with the opportunity to work as part of a team and gain new skills. Don't worry if you have no experience as full training and support is available.

If you wish to nominate yourself as a parent governor then please complete the enclosed form and return it to the academy no later than **Wednesday 16<sup>th</sup> February 2022**. If three or more nominations are received, I will arrange for ballot papers to be issued to parents which will include candidates' written statements, in order for parents to indicate which candidates they support.

Votes of support will be counted and noted for consideration along with other criteria and stages in the application process which will include an informal meeting with the Principal.

If you have further queries or would like more information about becoming a parent governor, please contact the Academy on 01782 235055

I look forward to hearing from you soon.

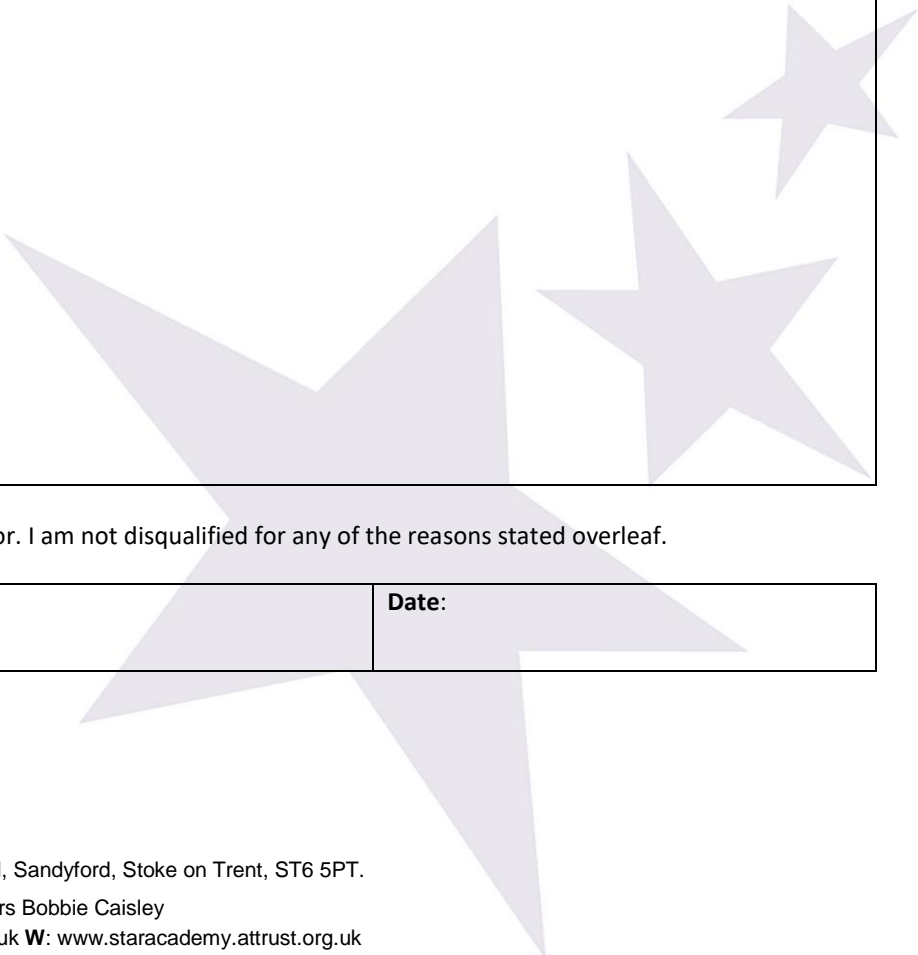

Yours sincerely

Mrs K Wildman
