Y6 Swimming

Dear parents/ Carers,

During the Summer term, Year 6 will be going swimming every Thursday for the full term. Because Y6 have missed out on their swimming lessons due to the pandemic, their swimming session will be for an hour. It is really important that they have the correct kit as they will not be allowed in the pool if they are not dressed appropriately.

Kit

Towel

Girls - Full swim suit (no bikinis or tankinis)

Boys – swimming trunks tight (no shorts or baggy trunks)

All children **MUST** have a **swimming cap**, please provide one for your child

No jewellery should be worn.

Goggles can only be worn with written permission from parents and the swimming instructors reserve the right to ask children to remove their goggles if they fuss with them. Please note that we are not in a position to influence this. Children must bring their own goggles complete with a permission letter if they wish to wear them.

I'm sure that the children will be excited to be able to get in a pool after a long break from swimming.

Kind regards,

Mrs. Wildman
Principal
