Year 2 SATs

Dear Parents/ Carers,

During the weeks beginning the 16th May and 23rd May, the Year 2 children will be sitting their Year 2 end of year tests. (SATs). We are very careful not to put additional pressure on to the children and these tests will feel the same to them as other tests that we would usually do through the school year.

The children do the tests in small groups and Mrs. Lewis helps to support the process with her years of experience.

We ask that you do not mention SATs to the children and just reassure them that tests are just to help the teachers know what to teach next.

We really appreciate your support with this.

Kind regards,

Mrs. Wildman
Principal
