

13th October 2022

Year 3 visit to Magna Science adventure centre

Dear Parents / Carers

Next term (Autumn 2), the year 3 pupils are studying the theme of '**Rocks, Relics and Rumble**' where they will be investigating and researching the types of rocks and their properties; different kinds of volcanoes; the four layers that make up our wonderful planet earth and amongst many other things. As part of their studies, we are planning a visit to Magna Science Adventure Centre where they will have an opportunity to explore and enhance their existing knowledge and learn more about the topic by engaging in an explorative workshop.

The children will be visiting the centre on Wednesday the 9th November. **They will need to arrive at the academy at 7.45 before the start of the school day and must wear school uniform.** They will set off from school at 8:00am and hope to reach the centre for 10:00am. We will return back to school at around 4:00pm so children will need to be collected at this time from their classroom.

The cost of the visit is £10.00 per child towards the cost of entry and transportation. Payment for the visit needs to be made online via School Money or by barcode NO LATER THAN 4th November 2022.

Children will need to be provided with a packed lunch from home for the trip. However if you are in receipt of free school meals, lunch will be provided by the academy.

I know that many of the pupils are already excited about the science adventure experience and the topic itself, but if you have any further questions regarding this letter or trip, then please do not hesitate to contact us.

More information about the diner can be found at [Magna Science | Magna Science Adventure Centre \(visitmagna.co.uk\)](https://www.visitmagna.co.uk).

Many thanks

Mrs. S. Akhtar
Year 3 Teacher
