About this document

This *Scheme of Delegation* is intended to describe the workings of our governance. It is a formal document which should be referred to in order to resolve any difficulties with regard to the operation of our governance structures.

It should be read alongside our [ATT Governance Handbook 2023](#) which is a practical manual for those involved in our local governance. The Handbook is intended to offer advice on matters of best practice, rather than to answer specific questions about our governance structures.

Both documents are working documents which will be kept under review at all times.

Anyone with feedback on the content of either document should contact Michelle Eaves, Head of Governance at michelle.eaves@attrust.org.uk

1. | About Academy Transformation Trust (ATT)

- 1.1 ATT (or *our Trust*) is a multi-academy trust which is responsible for operating and maintaining twenty-one cross phase academies in England. Our Trust is both a company limited by guarantee and an exempt charity, regulated by the Secretary of State for Education.
- 1.2 Our Trust's constitution and objects are set out in its *Memorandum and Articles of Association*. We are also bound by the requirements of our *Master Funding Agreement*, as well as by the provisions of the *Academy Trust Handbook* and a range of other pieces of government guidance and legislation.
- 1.3 The purpose of this document is to provide operating clarity about the roles, responsibilities, authorities, and expectations of those who work within our governance and executive leadership structures. It is subsidiary to the documents described in 1.2 above.
- 1.4 This document is subject to formal review by the Board of Trustees on an annual basis, although they may review and amend elements of it more frequently if circumstances require it.

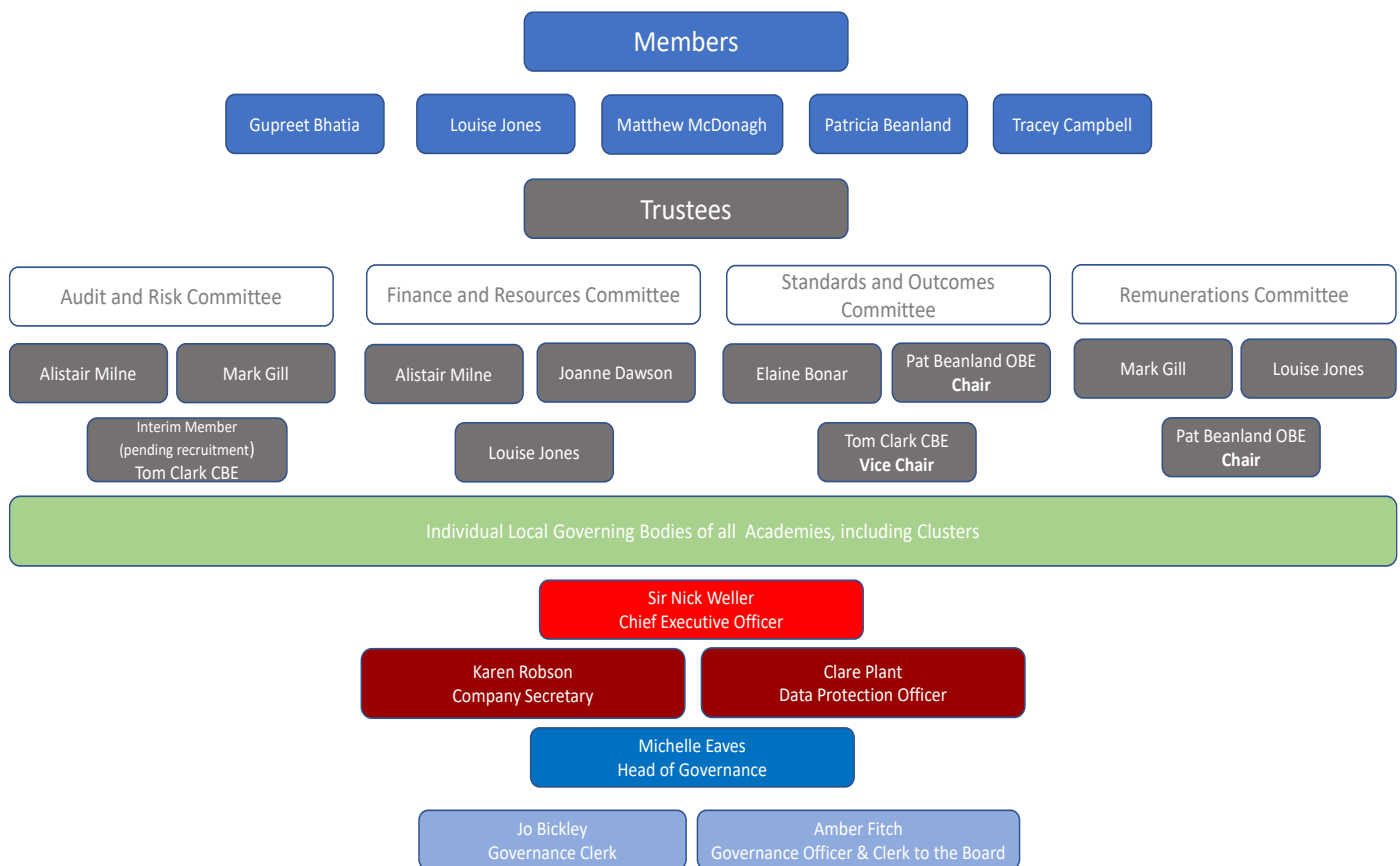

2. | Our Governance and Leadership Structures

- 2.1 Our Trust does not have shareholders, but it does have **Members**, who provide the highest tier of non-executive oversight.
- 2.2 The most important tier of governance is our Board of Trustees. Trustees may either be appointed by Members or co-opted onto the Board by other Trustees. They are Trustees for the purposes of charity law and also fulfil the role of appointed Directors in regard to company legislation. A failure to fulfil the requirements of this role may result in an individual being disqualified from serving and, as such, bears significant personal liability.
- 2.3 Trustees are accountable for the performance of the Trust and its academies to the Members, to the Secretary of State and also to the communities served by our academies. They are required to have systems in place by which they can fulfil the requirements of the documents in 1.2 above, as well as monitoring and scrutinising the work of the executive.
- 2.4 Trustees also have responsibility for key decision making in respect of aspects of the Trust's operations and are required to act, both collectively and individually, in the best interests of the Trust and its academies and in line with our Ethical Leadership Statement and other policies. They, along with all those involved in our governance, have a strictly strategic role.

2.5 Trustees may not delegate their accountability for the performance of the Trust, but, in practice, they do delegate the responsibility for many aspects of our operation as outlined below. Trustees then hold to account the bodies and individuals with ‘delegated responsibility’ on behalf of the Members, the Secretary of State and the communities we serve.

2.6 Trustees delegate responsibility as follows:

- to a range of **Trust Board sub-committees**, each of which consists of a subset of Trustees, may be established either permanently or temporarily and has delegated responsibility for aspects of decision making, monitoring and scrutiny as set out in this document
- to a **Local Governing Body (LGB)** for each academy, the membership of which is drawn from the local community (including two parents and one member of the academy’s staff) and which has delegated responsibility for a small amount of decision making and rather more monitoring and scrutiny of the academy’s performance
- to the **Chief Executive Officer (CEO)** who is appointed by the Board and who has delegated responsibility for the day-to-day strategic and operational leadership and management of all aspects of the Trust’s activity. The CEO, in turn, delegates responsibility for specific aspects of the Trust’s operations to members of the **Executive Leadership Team (ELT)**, to **Directors of Service** and to **Directors of Education** who are accountable, via the CEO, to the Trustees. The CEO also delegates responsibility for the day-to-day management of each academy to the **Principal** of that academy, in line with the provisions described in this document.

3. | The Role of Members

3.1 Members are the ‘guardians’ of the Trust and, in some ways, can also be viewed as the ‘owners’ of the Trust, although, unlike the owners of commercial companies, they do not take dividends from the Trust.

3.2 The role of Members is set out in the Trust’s *Articles of Association*. Their obligations are described in the DfE’s *Academy Trust Handbook*. They:

- Are the subscribers to the Trust’s memorandum of association (where they are founding members)
- May adopt and amend the *Articles of Association* subject to any restrictions within them, the funding agreement, or charity law
- May, in certain circumstances, appoint new Members or remove existing Members
- Have powers to appoint and remove Trustees in certain circumstances
- Must ensure the objects of the Trust are being met
- Appoint the Trust’s auditors
- Receive the Trust’s audited annual accounts (subject to the Companies Act) and annual report at an Annual General Meeting of the Trust
- May, by special resolution, issue direction to the Trustees to take a specific action
- Have power to change the name of the company and, ultimately, wind up the Trust.

3.3 Accordingly, the powers specifically **reserved** by Members within ATT (and, therefore, not delegated at all) are to:

- Change the name of the Academy Trust
- Change the objects within the *Articles of Association* (which would require Charity Commission and Secretary of State consent)
- Change the structure of the Trust Board
- Amend the *Articles of Association*
- Pass a resolution to wind up the Trust
- Appoint the auditors (save to the extent that the Trustees may make a casual appointment).

3.4 Member meetings are held twice a year. One of the meetings constitutes the formal Annual General Meeting (AGM) of the Trust. Member meetings are quorate if two Members are present.

4. | The Role of Trustees

4.1 Trustees have ultimate accountability and decision-making authority for the work of the Trust and its academies.

4.2 Trustees are accountable to:

- The pupils, learners, parents/carers and communities served by our academies
- People employed by, or working in a voluntary capacity as part of, the Trust
- The Members of the Trust, as set out in the *Articles of Association*
- The Secretary of State for Education and the Education and Skills Funding Agency, as set out in the Trust's *Master Funding Agreement*
- Various statutory and regulatory bodies, including compliance with the regulations of both company and charity law as set out in the *Articles of Association*.

4.3 Trustees must also comply with the requirements of the Trust's *Articles of Association* and *Master Funding Agreement*, both of which are available to view on ATT's website.

4.4 The remit of the Trust Board is to:

- Establish the vision, mission and values of the Trust
- Ensure the business of the Trust is conducted solely in pursuit of the objects set out in the *Articles of Association*
- Safeguard the assets of the Trust
- Ensure that financial controls and appropriate financial management is in place in accordance with the provision of the *Academy Trust Handbook*
- Set and monitor overall performance objectives for the Trust, especially in regard to educational outcomes and business operations
- Establish and monitor the risks to the Trust and ensure that mitigating measures are put in place
- Ensure that both the Trust Board and the ELT have the capacity and skill to lead and manage the Trust and that the ELT is appropriately supported and challenged
- Delegate authority for the day-to-day operation of the Trust to the CEO and, by extension, to the ELT
- Ensure that the Trust is led and managed in accordance with all applicable law.

4.5 Trustees are expected to follow the seven Principles of Public Life (widely known as the 'Nolan Principles') in everything they do – these principles are selflessness, integrity, objectivity, accountability, openness, honesty and leadership.

- 4.6 Trustees must:
- Act together and in person and not delegate responsibility of the Trust to others
 - Act strictly in accordance with the *Articles of Association*
 - Act in the Trust's interests only and without regard to their own private interests
 - Manage the Trust's affairs prudently
 - Not take personal benefit from the Trust unless expressly authorised
 - Take proper professional advice on matters on which they are not themselves competent.
- 4.7 The Board must appoint annually individuals from among their number to act as Chair and Vice Chair. The Chair and Vice Chair provide leadership to the Trust Board, as detailed in Section 10.
- 4.8 All Trustees have an equal voice in meetings and in any necessary voting procedures, although, as provided for in the *Articles of Association*, there may be times when the Chair is required to make a casting vote on some matters.
- 4.9 The Trust Board must assure itself that it has the right balance of skills to be able to carry out its duties, and regularly review those skills in order to establish where any gaps may lie. The Trust Board should also be mindful of succession planning and ensure that Trustees are able to gain a variety of experience by serving on the Board.
- 4.10 The Trust Board must appoint a Company Secretary who is responsible for ensuring that all meetings of the Trust Board and its sub-committees are well planned in order to fulfil their obligations, conducted in accordance with law and with the Trust's ethical principles and appropriately minuted. The Company Secretary must also ensure that statutory return deadlines and other legal obligations are met. The minutes of Trust Board meetings are posted to the Trust's cloud based Governors' Virtual Office system and are available upon request.
- 4.11 Trustees are also Directors of the Trust as a company, and this is a personal office of responsibility and accountability which cannot be transferred to another individual. However, Trustees may delegate the power to carry out certain elements of the Trust's governance and operations to others, while retaining personal accountability for these elements. The Trust Board must not delegate responsibility for any of the 'reserved matters' detailed below.
- 4.12 As well as being mindful of its legal accountabilities, the Trust Board must ensure that it has mechanisms in place to take account of the views of the Trust's key stakeholders within its decision making. This applies especially, but not exclusively, to the views of pupils and learners, parents/carers and academy staff members.
- 4.13 The Trust Board, along with all those involved in the Trust's governance, must ensure that individuals avoid any situations in which they have (or could have) a conflict of interest. If such a circumstance arises, the individual must declare the nature and extent of any interest in any matter relating to the Trust and avoid any conflict of interest between that interest and the interests of the Trust.

- 4.14 The powers specifically reserved by the Trust Board within ATT are to:
- Determine the overall educational character, mission or ethos of the Trust and its academies
 - Adopt or alter the Scheme of Delegation and the Terms of Reference of any sub-committee of the Trust Board
 - Determine the Trust's plans for growth and investment, including the establishment of any trading companies deemed necessary
 - Sell, purchase, mortgage or charge any land in which the Trust has an interest
 - Approve the annual estimates of income and expenditure (budgets) and major projects
 - Sign off the annual accounts
 - Appoint or dismiss the CEO, the Deputy CEO (Finance & Operations) and the Company Secretary
 - Approve those policies which are deemed by statute or regulation to require full Board approval
 - Do any other act which the *Master Funding Agreement* expressly reserves to the Trust Board
 - Do any other act which the *Articles of Association* expressly reserve to the Trust Board
 - Do any other act which the Trust Board determines to be a 'reserved matter'.
- 4.15 The Trust Board meets at least three times a year. Trust Board meetings are quorate if any 3 Trustees are present, or, where greater, any one third of Trustees (rounded up to a whole number) holding office at the date of the meeting are present. Board minutes are published on the Trust's cloud based Governors' Virtual Office system and are available upon request.
- 4.16 Trustees normally serve up to two terms of office, each of four years. No member of Trust staff is permitted to serve as a Trustee.

5. | The Role of Trust Board Sub-Committees

- 5.1 The Trust Board has established three sub-committees to oversee specific areas of its work. The members of these sub-committees are confirmed annually.
- 5.2 The committees are:
- Audit and Risk (ARC)
 - Finance and Resources (FRC)
 - Standards and Outcomes (SOC).

- 5.3 Each sub-committee meets between three and six times a year, as set out in the Trust Annual Cycle.
- 5.4 In addition, a Remunerations Committee is constituted on an annual basis to review specific pay decisions and to oversee the performance development arrangements for the CEO.
- 5.5 The Chair and Vice Chair of each sub-committee are elected by the members of sub-committee on an annual basis. The Chair must be suitably experienced and/or qualified to undertake the task required; in the case of ARC, they must be financially qualified and experienced in the area of risk management.
- 5.6 The Chair of each sub-committee may direct or invite attendance at meetings by any individuals who may be deemed to provide helpful input to the content of the meeting.
- 5.7 Meetings of the sub-committees are quorate if the majority of sub-committee members are present. Where a vote is necessary, each member has one vote and the Chair may use a casting vote where a vote is split evenly.
- 5.8 Sub-committee minutes are provided to the Trust Board at its next full meeting, and the Chair of the sub-committee is required to provide a verbal report to the Trust Board.
- 5.9 Sub-committees are authorised by the Trust Board to investigate any activity within their Terms of Reference (ToRs). They are authorised to seek any information they require from any employee and all employees are directed to cooperate with any request made by sub-committees. Sub-committees are authorised by the Board to obtain outside legal or other independent professional advice.
- 5.10 Detailed *Terms of Reference* for each sub-committee are included in Section 9 of this document.

6. | The Role of Local Governing Bodies

- 6.1 The Trust Board has established committees to be known as the Local Governing Bodies (LGBs). There is a LGB for each academy within the Trust, whether that is an individual LGB or where two or more academy LGBs have joined together to form a cluster.
- 6.2 The membership of these LGBs must include two parents of pupils currently at the academy and one member of staff (per phase in the case of an all-through academy). *In the case of a cluster LGB there should be a member of staff and a parent from each academy.* In ATTFE, there should be two student members rather than parents. These positions must be elected. Otherwise, there should be enough members of each LGB to enable it to do an effective job.

- 6.3 LGBs meet four times a year.
- 6.4 The Chair and Vice Chair of each LGB are elected by the members of the LGB. Chairs will be approved by the Trust Board upon appointment. Vice Chairs will be recommended by the Chair of the LGB and approved by the Trust Board.
- 6.5 Other LGB members are appointed by the LGB Chair.
- 6.6 Apart from elected staff governors, no members of Trust staff are permitted to join a LGB. Serving governors should not take up paid employment within the Trust unless the potential for conflicts of interest are minimal. The Head of Governance must always be consulted in such circumstances.
- 6.7 LGB members may serve as follows:
- Parent governors must join as a result of a free and fair election in which all parents are able to stand. They must stand for re-election at the end of one term of office (four years). They must leave the LGB if they no longer have children at the academy, (or have the opportunity to serve a new term of office as a Community Governor), which would trigger a new election.
- Where it is not reasonably practical to appoint a parent, or an individual exercising parental responsibility, LGBs may appoint a person who is the parent, or an individual exercising parental responsibility, of a child within the age range of at least one of the academies overseen by that local governing body.
- Staff governors must join as a result of a free and fair election in which all staff are able to stand. They must stand for re-election at the end of one term of office (four years). They must leave the LGB if their employment comes to an end, (or have the opportunity to serve a new term of office as a Community Governor), which would trigger a new election.
 - Other governors may be appointed by the LGB chair as a result of an application or recruitment campaign. After one term of office (four years) there will be an opportunity to review their membership of the LGB and, if agreed by mutual consent, they may serve a second four-year term.
 - Governors should not normally serve for more than two terms (or a maximum of eight years) apart from in exceptional circumstances and with approval from the Trust Board.
 - All LGB members must abide fully by the code of conduct and actively contribute at all times. Failure to do so means that LGB membership may be terminated early by Trustees. Any LGB member may resign early by submitting a letter of resignation to the Chair (or to the Trustees in the case of a LGB Chair).
- 6.8 The Chair of the LGB may direct or invite attendance at meetings by any individuals who may be deemed to provide helpful input to the content of the meeting.

- 6.9 Meetings of the LGB are quorate if 50% or more of LGB members are present. Where a vote is necessary, each member of the LGB has one vote and the Chair may use a casting vote where a vote is split evenly.
- 6.10 Each LGB meeting is clerked by the Governance Clerk, who is line managed by the Head of Governance. The clerk must provide LGB minutes to the Chair within 10 working days of a meeting and these minutes must also be published on the Trust's cloud based Governors' Virtual Office system and made available to Trustees. Communication between LGBs and Trustees is facilitated by our use of the Governors' Virtual Office (GVO) where minutes are shared, by joint attendance at regular meetings such as Governance Forums and by the appointment of 'link Trustees' for specific academies.
- 6.11 LGBs also conduct an annual review of their skills, governor activity and effectiveness and maintain ongoing targets linked to the academy's development/improvement plans.
- 6.12 LGBs are important in the Trust's approach to governance in the following ways. They are:
- Responsible for providing assurance to the Board of Trustees (and to external bodies, such as the Office for Standards in Education (Ofsted)) that the academy's work has been scrutinised with an eye to performance improvement and impact on the local community, and that Trust-wide and statutory policies are being properly followed.
 - Accountable for the decisions made as part of a panel within the parameters of our policies on complaints, exclusions, admissions appeals and staff disciplinaries.
 - Responsible for engaging with collaborative development or quality assurance activities (such as Governance Forums (GFs), Full Academy Reviews (FARs), Challenge, Support and Intervention meetings (CSIs) and supporting the process whereby decisions affecting the academy (such as the appointment of a new Principal or an Ofsted inspection) are made.
 - Responsible for ensuring that they have the right membership and balance of skills to do an effective job.
 - Charged with engaging fully with our communities, championing and challenging the Trust and each academy in equal measure, developing work that will support positive attitudes to learning among future pupils, parents and others and bringing the outside world into the classroom through the use of their own professional networks.
- 6.13 It is important to note that local governance does not duplicate the activity of the Trust's executive functions in regard to the performance management of the academy's senior leadership. The function of the LGB is to scrutinise rather than to hold to account.
- 6.14 Detailed *Terms of Reference* for LGBs are included in Section 9 of this document.

7. | The Role of the CEO and the Executive

7.1 The CEO and the executive are accountable to Trustees for the day-to-day operation of the Trust and for the achievement of its strategic aims. Key executive roles within the Trust currently include:

- The CEO, who also acts as Accounting Officer and is accountable for fulfilling the expectations of that role.
- The Deputy CEO (Finance & Operations) who has leadership responsibility for our finance, estates, procurement and information and communication technology (ICT) functions
- Deputy CEO (Education), Director of Primary Education and Director of Secondary Education who oversee performance across the Trust.
- Leaders within our education directorate who have responsibility for all aspects of our educational performance and is responsible for holding Principals to account for the performance of their academy
- The Director of the ATT Institute, who has leadership responsibility for professional development
- The Head of Governance, who oversees our governance operations
- The Company Secretary
- The Director of Safeguarding and Inclusion
- The Director of Estates
- The Director of People Strategy
- The Director of ICT
- The Principal in each of our academies.

7.2 The accountabilities of these roles are detailed within specific job and role descriptors and are not repeated here. The achievement of objectives by members of the executive is monitored by Trustees through the work of sub-committees and also via the professional development process.

7.3 Members of the executive attend Trust committee meetings. Each Trust committee has an 'executive lead' (or 'leads'), as follows:

- For SOC, the Deputy CEO (Education)
- For FRC, Deputy CEO (Finance & Operations), Director of People Strategy
- For ARC, Deputy CEO (Finance & Operations), Director of Safeguarding and Inclusion
- For each LGB, the relevant Principal.

7.4 In order to maintain ethical separation between our executive and non-executive functions, it is not permitted for any Trust staff member to join our governance structures, unless they are an elected staff member of a Local Governing Body.

8. | Our Scheme of Delegation

In the table below, many of the responsibilities assigned to the Trust Board will, in fact, be carried out, according to the Terms of Reference, by a sub-committee. Similarly, the CEO will delegate many of the responsibilities below to other members of the executive. Please see Section 10 for a specific statement in regard to delegation to the Chair of Trustees.

This Scheme of Delegation should be read alongside our separate Financial Scheme of Delegation, which sets out the parameters for financial decision making within the Trust.

It is up to the chair to make certain that all directors are aware of their responsibilities and to ensure board meetings facilitate a full and frank airing of views.

The chair's role includes:

- engage routinely with the CEO in a manner agreed between the Chair and the CEO
- call an urgent and extraordinary meeting of the Board within seven calendar days
- act in cases of urgency (see below) in such a way as he or she would be permitted to act under S8 of the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 if the Trust were a maintained school.

The Chair may exercise any function of the Board of Trustees which is capable of being delegated to an individual, where any delay in exercising this function would likely be seriously detrimental to the interests of the Trust and any school or setting within it; a pupil or his or her family; or an employee. 'Delay' means the time it would take to convene a meeting of the Board. In such a case, the Chair of Trustees should, in exercise of the authorities above

- seek the prior written advice of the Accounting Officer and the Clerk to Trustees
- in respect of matters likely to be significant or controversial to the Trust, seek the views of the Board
- inform the Board as soon as possible of any urgent actions and at every meeting of the Board of any other representations made as Chair.

It is important that the Board as a whole has an appropriate breadth of skill across these areas.

In common with all those involved in our governance, Trustees must espouse the values of the Trust, commit themselves to working in accordance with the Nolan Principles and our statement of Ethical Leadership and agree to abide by the Code of Conduct.

They must also maintain a sufficiently deep understanding of the Trust’s Articles of Association and Master Funding Agreement as well as the DfE’s Academy Trust Handbook and Governance Handbook to enable them to fulfil their legal duties in regard to both company and charity law.

10.5 LGB members

Our LGB members are a vital part of driving improvement and excellence and they are specifically accountable to our Trustees.

The role of LGB members is to ensure high standards of achievement for all children and young people in the academy by

- providing challenge and support to executive leaders in relation to the educational performance of the academy
- performing the required non-executive functions in relation to staff and student-related panels and appeals processes
- ensuring at all times that their own skillsets, development needs and programmes of activity are reviewed and their effectiveness appraised.

As part of the LGB team, a LGB member is expected to

- support and challenge executive leaders by monitoring the academy’s educational performance, which includes
 - monitoring the outcomes from and progress against the academy’s annual EIP

 - asking challenging questions of academy leaders

- represent local governance if required in official settings, for example, during an Ofsted inspection
- ensure that, at all times, they represent the needs of their local community.

The role of a LGB member is a thinking and questioning role, not a doing role.

Person specification

In order to perform this role well, a LGB member is expected to

- get to know the academy, including visiting during school hours, and gaining a good understanding of the academy's strengths and weaknesses
- attend induction training and regular relevant training and development events
- attend meetings and read all the papers before the meeting
- act in the best interests of all the pupils of the academy
- behave in a professional manner, as set out in the code of conduct, including acting in strict confidence.

LGB members are expected to have experience (and, in some cases, qualifications) which enable them to directly support and scrutinise the work of the academy. It is important that the LGB as a whole has an appropriate breadth of skill across these areas. Two members of the LGB must be parents of current pupils at the academy, and there should be one staff LGB member.

In common with all those involved in our governance, LGB members must espouse the values of the Trust, commit themselves to working in accordance with the Nolan Principles and our statement of Ethical Leadership and agree to abide by the Code of Conduct.

- Members of Local Governing Bodies (LGBs).

This Code of Conduct is deemed to have been accepted and agreed by anyone who agrees to serve within any part of our governance.

Governance is a collective responsibility. However, we also believe that those involved in governance are individually accountable – as a consequence, those involved in our governance must also abide by the staff code of conduct, which is a separate policy relating to behaviours.

11.2 | The Nolan Principles

All those involved in governance within ATT are expected to be aware of, and conduct themselves in accordance with, the Framework for Educational Ethical Leadership, developed by the Ethical Leadership Forum and referenced in our Ethical Leadership statement.

This makes explicit the expectation to conduct oneself in accordance with the seven ‘Nolan Principles’ of public life, summarised below.

Selflessness - Holders of public office should act solely in terms of the public interest.

Integrity - Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

Objectivity - Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability - Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness - Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty – Holders of public office should be truthful.

Leadership – Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

11.3 | Code of Conduct

Roles and responsibilities

- We understand the purpose of Trust governance and the role of the executive leaders.
- We accept that we have no legal authority to act individually, except when the Board has given us delegated authority to do so, and therefore we will only speak on behalf of Trust governance when we have been specifically authorised to do so.
- We accept collective responsibility for all decisions made. This means that we will not speak against majority decisions outside meetings.
- We have a duty to act fairly and without prejudice.
- We will encourage open governance and will act appropriately.
- We will consider carefully how decisions may affect the communities we serve.
- We will always be mindful of our responsibility to maintain and develop the ethos and reputation of the Trust. Our actions in respect of any one academy will reflect this.
- In making or responding to criticism or complaints we will follow the procedures established by the Trust Board.
- We will actively support and challenge the executive leaders.
- We will accept and respect the difference in roles between the executive and non-executive lines, ensuring that we work collectively for the benefit of the organisation.
- We will respect the role of the executive leaders and their responsibility for the day to day management of the organisation and avoid any actions that might undermine such arrangements.
- When formally speaking or writing in our governing role we will ensure our comments reflect current organisational policy even if they might be different to our personal views.
- When communicating in our private capacity (including online and on social media) we will be mindful of and strive to uphold the reputation of the organisation.
- We will not respond to external events or influences on an individual basis and will always work with executive leaders to determine the most appropriate response.

Commitment

- We acknowledge that accepting office involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of governance, and accept our fair share of responsibilities, including active engagement both in and outside of meetings.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.

- We will get to know the academy/ies well and respond to opportunities to involve ourselves in activities.
- If we work with an academy in a personal capacity (i.e. as a parent or carer), we will continue to act in accordance with this Code of Conduct.
- We will consider seriously our individual and collective needs for induction, training and development, and will undertake relevant training.
- We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles, attendance records and relevant business and pecuniary interests will be published on the academy's website.
- In the interests of transparency, we accept that information relating to us will be collected and logged on the DfE's national database of governors (Get Information About Schools).

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with both in and outside of meetings.
- We will support the Chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We will seek to develop effective working relationships between the Trust Board and Local Governing Boards, with executive leaders, staff and parents, with other relevant agencies and with the communities we serve.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside and outside the academy/ies.
- We will exercise the greatest prudence at all times when discussions regarding Trust business arise outside a meeting.
- We will not reveal the details of any governance vote.
- We will ensure all confidential papers are held and disposed of appropriately.

Conflicts of interest

- We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the business of governance in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time.
- We accept that the Register of Business Interests will be published on the Trust's or the academy's website and we will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- We will act in the best interests of the Trust as a whole and not as a representative of any group.

Ceasing governance activities

- We understand that the requirements relating to confidentiality will continue to apply after ceasing governance activities.

Breach of the Code

- If we believe this Code has been breached, we will raise this issue with the Chair and the Chair (or the Vice Chair if the allegation is against the Chair) will investigate and seek guidance from the Trust's Head of Governance.
- We understand that the Trust Board reserves the right to remove someone from office for breaches of this Code.

12. | Governance Expenses

12.1 All those involved in our governance are deemed to have understood the policy below in respect of governance expenses.

Those involved in our governance may claim appropriate recompense for certain expenses, as detailed below and set out fully in the Trustee and Governor Expenses Policy.

This applies to Members, Trustees and members of Local Governing Bodies

Our policy in this area has been developed in accordance with the DfE document *The School Governance (Roles, Procedures and Allowances) (England) Regulations (2013)*. These regulations give academy trusts the discretion to pay expenses from the Trust's budget allocation to governors for certain expenses which they incur in carrying out their duties.

Our Articles of Association state that 'a director of the academy trust/member of a local governing body may at the discretion of the board/local governing body be reimbursed from the property of the academy trust for reasonable expenses properly incurred by him or her when acting on behalf of the academy trust but excluding expenses in connection with foreign travel.'

Our Board believes that paying governance expenses, in specific categories as set out below, is important in ensuring equality of opportunity to serve for all members of the community and so is an appropriate use of academy funds.

12.2 Guidelines

Those involved in governance may claim expenses in respect of actual expenditure incurred whilst attending meetings of the Board and its committees, undertaking training and development and otherwise acting on behalf of the Trust.

They may not claim for

- actual or potential of loss of earnings
- attendance allowance.

12.3 Eligible expenses

Categories of eligible expenditure are

- Car travel on Trust business, including meetings and training which will be paid at the HMRC approved rate per mile at the time of the claim. The mileage paid will be calculated based on the shortest route and paid at the current HMRC rate.
- Public transport costs incurred as part of Trust business, including meetings and training. Unless the cost of 1st class travel would be cheaper than standard class, 1st class travel is not covered by the policy.
- Reasonable subsistence costs incurred when attending meetings on behalf of the Trust or training events for the Trustee/Governor role, that cannot be claimed from another source.
- Reasonable costs of childcare needed to attend a meeting of the Trust (excluding payments to any former partner/spouse).
- Reasonable costs of care for any elderly or dependent relative needed to attend a meeting of the Trust.
- Reasonable telephone charges, photocopying, stationery, postage etc.
- Any other justifiable expenses which have been incurred whilst acting on behalf of the Trust.

12.4 Allowance rates

Rates at which allowances are payable as follows:

- Care arrangements – actual costs incurred, up to £10 per hour
- Telephone calls and postage – actual costs incurred

All other rates are payable as detailed in the Trustee and Governor Allowances and Expenses Policy.

12.5 Criteria for claims

All claims must be submitted to the Head of Governance within three months of the expenditure's having been incurred. The latest expenses claim form is available from the Governance Officer and Clerk to the Board (Trustees) or Governance Clerk (Local Governors)

Claims must be made in accordance with the current expenses policy. In particular, receipts must be supplied to support claims for reimbursement (e.g. bus ticket, phone bill, taxi receipt, till receipt and a fuel receipt). In the case of telephone calls, an itemised phone bill should be provided, identifying the relevant calls.

Claims for reimbursement must be agreed as justifiable by the Chair of the relevant committee before any reimbursable costs are incurred.

Claims will be subject to independent audit and governor claims may be investigated by the Chair of Trustees (or by the Finance and Resources Committee in respect of the Chair of Trustees) if they appear excessive or inconsistent.

13. | The Quality of Governance

13.1 We are committed to ensuring the highest standards within our governance, at all levels. This means ensuring that it is both effective and ethical, going ‘above and beyond’ the requirements, for example, of the DfE’s *Governance Handbook* or our own Code of Conduct. In common with the approach taken to all aspects of our work, we will use the evidence-based approach of Challenge, Support and Intervention to drive our governance performance. This section outlines how we will do this, and who will be responsible for doing it.

13.2 *What does ‘ethical and effective governance’ look like?*

The elements below will be critical in determining the quality of our governance:

1. Competence and commitment
 - Do we have the right range of skills engaged?
 - Are people well trained and developed?
 - Is there the right level of commitment and engagement from those involved in governance?
 - Is there a regular review of the impact of governance?
2. Compliance and professionalism
 - Does activity comply with fundamental requirements (e.g. the declarations of interest or mandatory training)?
 - Is clerking knowledgeable and effective? Are meetings well planned, conducted and minuted?
 - Are governance processes (e.g. exclusions, complaints) compliant with policies and legislation?
3. Relationships and communication
 - Is there regular communication between those involved in governance and executive leaders?
 - Is the business of governance conducted honestly and robustly in a spirit of mutual support and challenge?
 - Are those involved in governance valued for all that they bring to the work?
 - Is there evidence of proactive communication at all levels of governance?
4. Questioning and analysis
 - Is information provided in a helpful and timely way?
 - Is information appropriately questioned in a way that enables those involved in governance to form an evidence-based view of performance?
 - Are questions responded to and acted upon by executive leaders?
5. Independent scrutiny

- Is there significant evidence of triangulation of evidence by those involved in governance, for example through visits and the seeking out of stakeholder views?
6. Engagement and collaboration
 - Do those involved in governance work alongside others in the Trust to improve practice?
 - Is there evidence of a clear sense of accountability to our communities?
 7. Purpose and impact
 - Is there absolute clarity about the purpose of governance which is shared by all?
 - Is there evidence that governance is having an impact and is this regularly reviewed?

13.3 Challenge

Our approach to challenge as part of the quality assurance of governance includes the following:

External challenge	The views of DfE and Ofsted in relation to our governance Internal audit schedule of governance review
Internal challenge	Internal CSI, including the FAR process, including governance Compliance audits in regard to statutory procedures Regular reviews of skills and effectiveness led by the Governance team Trustee level review of LGB performance and opportunities for observations of different levels of governance
Planning	Through the process of agreeing this document
Governance Forums & Annual Governance Conference	Consideration of challenging aspects of governance performance

13.4 Support

All support is firmly rooted in our vision, values and aims and is aligned with our unwavering commitment to collaboration and people development.

External support	Through membership of the Confederation of School Trusts, the National Governance Association (NGA), The Key Through the provision of external training and development where needed
Internal support	Through the provision of guidance and easy-access materials such as this document, the Governors' Virtual Office and the Governance Handbook Through bespoke training and development Through the support of the Governance Team and individual advice and guidance Through the #TransformingLives Magazine Through informal networking and communication
Governance Forums	Through mutual collaboration at these events in regard to aspects of governance

13.5 *Intervention*

The activity of challenge and support may provide evidence of serious failures in governance leading to the need for **intervention**. In such a case, the Members or the Board of Trustees may take action.

This may include reviewing or removing any power or responsibility which the Board has delegated or removing individuals from positions within our governance. This may apply especially in circumstances where serious concerns in the running of an academy (or academies) are identified, including (but not limited to) where

- insufficient progress is being made against educational targets (including where intervention by the Secretary of State is being considered or carried out)
- there has been a breakdown in the way the academy is managed or governed
- the safety of pupils or staff is threatened, including a breakdown of discipline
- there are concerns about financial matters.

13.6 *Key Roles*

The **Members** are accountable for ensuring that Trustees are performing effectively. The **Head of Governance** keeps this under constant review on behalf of Members and in collaboration with a wide range of external support networks, including those provided by the Confederation of School Trusts and the National Governance Association (NGA).

The **Head of Governance** is also charged by Trustees with leading the quality assurance of governance at other levels within the Trust. The Head of Governance is supported in this work by the Governance Clerk and Governance Officer.

All **executive leaders** have responsibility for ensuring that they play their own part in challenging and supporting those involved in our governance. This applies to **Principals** in regard to LGBs and members of **ELT** in regard to Trustee sub-committees.

Insofar as ensuring effective governance is a part of the responsibility of all those in the executive line, the **Chief Executive Officer** will hold all executive leaders to account for their part in delivering our governance ambitions.
